Section 1 – Introduction

This directory provides a list of Quality Health Plans of New York’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers listed in this directory to be your **P**rietary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. Your PCP is a health care professional who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. He or she also may talk with other doctors and health care providers about your care and refer you to them. Your PCP will also coordinate the rest of the covered services you get as a plan member.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. This is written authorization by your PCP to see a specific specialist or another provider. Note that in most cases you may see an In-Network specialist without a referral. For more information please call

Member Services. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

If a non-network provider asks you to pay for covered services, ask the provider to bill Quality Health Plans of New York first. If you receive a bill from a non-network provider, submit the bill to us for payment at:

Quality Health Plans of New York
Attention: Claims Processing
P.O. Box 340397
Tampa, FL 33694-0397

We will pay the non-network provider for our share of the bill and will let you know what, if anything, you must pay. If you have already paid for the covered services, submit the bill and proof of payment to the address above and we will reimburse you for our share of the cost.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do *not* need to get approval or a referral first from your PCP.
- **As soon as possible, make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call Member Services at 1-877-233-7058 Monday through Friday, 8:00 a.m. to 8:00 p.m.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Quality Health Plans of New York will be responsible for the costs.

What is the service area for Quality Health Plans of New York?

The County of service area is listed below.

- Richmond

How do you find Quality Health Plans of New York providers in your area?

Members may find a provider by using the Table of Contents of Provider Types. The Table of Contents lists the page number of the start of the listings for the various

provider categories. Providers are then listed by specialty type, location and last name in that order.

There is also an alphabetical listing of providers ordered by the providers last name. This listing shows the page number or numbers where a specific provider appears.

If you have questions about Quality Health Plans of New York or require assistance in selecting a PCP, please call our Member Service Department at 877-233-7058, 7-days a week, 8:00 am - 8:00 pm Eastern from October 1 to March 31, and Monday through Friday, 8:00 am - 8:00 pm Eastern from April 1 to September 30. TTY/TDD users should call 711 or visit <http://qhpnny.com>.
